1/6/2012, at least thirty (30) days prior to the final pretrial conference, lead counsel who will try the case shall meet and confer regarding the following:

- Preparation and content of the joint pretrial conference statement, *see* Part B, *infra*;
- Preparation and exchange of pretrial materials, *see* Part C, *infra*; and
- Settlement of the action.

**B. JOINT PRETRIAL CONFERENCE STATEMENT**

1/24/2012, at least fourteen (14) days prior to the final pretrial conference, the parties shall file a joint pretrial conference statement. The statement shall contain the following information:

**1. The Action.**

- a. Substance of the Action. A brief description of the substance of claims and defenses which need to be decided.
- b. Relief Prayed. A statement of all relief sought, particularly itemizing all elements of damages claimed.

**2. Factual Basis of the Action.**

- a. Undisputed Facts. A list of all stipulated facts, *i.e.*, all facts parties to which the parties will stipulate to for incorporation into the trial record without the necessity of supporting testimony or exhibits.
- b. Disputed Factual Issues. A list of all factual issues that remain to be tried, stating the issues with the same generality/specificity as any contested elements in the relevant jury instructions and organized by counts.

**3. Disputed Legal Issues. *Without extended legal argument*, a concise statement of each disputed point of law concerning liability or relief, citing supporting statutes and decisions.****4. Estimate of Trial Time. An estimate of the number of hours needed for the presentation of each party's case.****5. Trial Alternatives and Options.**

- 1 a. Settlement Discussion. A statement summarizing the status of settlement  
2 negotiations and indicating whether further negotiations are likely to be  
3 productive.
- 4 b. Consent to Trial Before a Magistrate Judge. A statement whether reference of

- 8 c. Amendments or Dismissals. A statement of requested or proposed amendments  
9 to pleadings or dismissals of parties, claims, or defenses.
- 10 d. Bifurcation or Separate Trial of Issues. A statement of whether bifurcation or a  
11 separate trial of specific issues is feasible and desired.
- 12 6. **Witnesses**. *The following information should be provided as an appendix to the joint*  
13 *pretrial conference statement*. For each party, a list of all witnesses likely to be called  
14 at trial, including those appearing by deposition. For each witness, there should be a  
15 short statement of the substance of his or her testimony and an estimate regarding the  
16 length of testimony (including direct and cross-examination). If the witness is an expert  
17 witness, the short statement should clearly state the expert's theories and conclusions and  
18 the bases therefor; in addition, the expert's curriculum vitae and report (if any) should  
19 be attached. If there are objections to a live witness's testimony, whether in whole or  
20 in part, that objection should be raised through a motion in limine. For objections to  
21 deposition testimony, *see* Part B.8, *infra*.
- 22 7. **Exhibits**. *The following information should be provided as an appendix to the joint*  
23 *pretrial conference statement*. A joint exhibit list in tabular form, with (a) a column that  
24 briefly describes the exhibit; (b) a column that describes for what purpose the party will  
25 offer the exhibit and identifies its sponsoring witness; (c) a column that states any  
26 objections to the exhibit; (d) a column that briefly responds to the objections; and (e) a  
27 blank column for the Court's use. Before this list is filed with the Court, the parties shall  
28 meet and confer, in person, to consider exhibit numbers, to eliminate duplicate exhibits  
and confusion over exhibits, and to make a good faith effort to stipulate to admissibility.

1           If stipulation is not possible, the parties shall make every effort to stipulate to  
2           authenticity and foundation absent a legitimate (not tactical) objection.

3       **8. Use of Discovery Responses.** *The following information should be provided as an*  
4           *appendix to the joint pretrial conference statement.* Excerpts of interrogatory responses,  
5           responses to requests for admission, and deposition testimony (with specific line  
6           references identified) that each party intends to present at trial. If there are objections  
7           to the use of written responses, the parties should include a joint memorandum that  
8           briefly states the objecting party's objection and the opposing party's response. If there  
9           is an objection to the general subject matter of a deponent's testimony, the objection  
10           should be made through a motion in limine. If specific objections were made during the  
11           deposition that are still in need of a Court ruling, the parties should include a joint  
12           memorandum that identifies the deposition testimony at issue and that briefly states the  
13           objecting party's objection (including any counter-designation) and the opposing party's  
14           response (including any counter-designation). The Court expects the parties to meet and  
15           confer in good faith in the attempt to resolve those specific objections regarding  
16           deposition testimony before any memorandum regarding objections are filed.

17       **C. PRETRIAL MATERIALS**

18           1/24/2012, at least fourteen (14) days prior to the final pretrial conference, the parties shall file  
19           the following pretrial materials.

20       **1. Motions in Limine.** The following procedure should be used with respect to motions  
21           in limine. At least twenty-five (25) days before the pretrial conference, serve – but do not file – the  
22           moving papers. At least eighteen (18) days before the conference, serve – but do not file – the  
23           oppositions. When the oppositions are received, the moving party should collate the motion and  
24           opposition together, back to back, and then file the paired sets (each under separate cover) by 1/14/2012,  
25           at least fourteen (14) days prior to the conference.

26           Each motion in limine should address a single topic and contain no more than seven pages of  
27           briefing per side. Reply briefs are not permitted. Usually, each party or side should not need to file  
28           more than five motions in limine. Each party shall number its motions in limine in order of importance,  
                 the first being the most important.

1       2.     **Preliminary Statement to the Jury.** In a jury trial, the parties shall provide a simplified  
2 statement of the case to be read to the jury during voir dire and as a part of the proposed jury  
3 instructions. Unless the case is extremely complex, this statement should not exceed one paragraph.

4       3.     **Jury Instructions.** In a jury trial, a *joint* set of proposed jury instructions on substantive  
5 issues of law, arranged in a logical sequence.

6       If undisputed, an instruction shall be identified as “Stipulated Instruction No. \_\_\_\_ re  
7 \_\_\_\_\_,” with the blanks filled in as appropriate. Even if stipulated, the instruction  
8 shall be supported by citation.

9       If disputed, each version of the instruction shall be inserted together, back to back, in their  
10 logical place in the overall sequence. A disputed instruction shall be identified as “Disputed Instruction  
11 No. \_\_\_\_ re \_\_\_\_\_ offered by \_\_\_\_\_,” with the blanks filled in as appropriate.  
12 All disputed versions of the same basic instruction shall bear the same number. If a party does not have  
13 a counter-version and simply contends that no such instruction in any version should be given, then that  
14 party should so state on a separate page inserted in lieu of an alternate version. Each party should  
15 support its version of a disputed instruction, and/or oppose the version offered by the opposing party,  
16 with a brief argument and citation to any relevant authority. The argument and citation should be  
17 provided immediately following the disputed instructions. The parties are encouraged to keep disputed  
18 instructions to a minimum.

19       Finally, absent objection, the Court shall give the following jury instructions from the Ninth  
20 Circuit Manual of Model Civil Jury Instructions (2007 ed.): 1.1-1.2, 1.6-1.14, 1.18-1.19, 3.1-3.3.

21       4.     **Voir Dire.** In a jury trial, the Court will conduct a voir dire based on the attached (or a  
22 similar) questions/subjects. Counsel may also submit for the Court’s consideration an *agreed upon* set  
23 of additional voir dire questions to be posed by the Court. Any voir dire questions on which counsel  
24 cannot agree may be submitted separately. Counsel will be allowed a brief (15 minutes) follow-up voir  
25 dire after the Court’s questioning.

26       5.     **Verdict Form.** In a jury trial, the parties shall submit a *joint* proposed verdict form. If  
27 the parties are unable to stipulate to a verdict form, then each party or side shall submit a proposed  
28 verdict form.

1       6.     **Proposed Findings of Fact and Conclusions of Law.** In a bench trial, each party or  
2 side shall submit proposed findings of fact and conclusions of law.

3       7.     **Exhibits.** The parties shall submit *two* sets of all exhibits. Exhibits are not to be filed  
4 but rather shall be submitted to chambers. *Exhibits must be premarked. In addition, one set of exhibits*  
5 *must be tagged.* Exhibits shall be three-hole punched and shall be submitted in binders. Sample tags  
6 may be obtained from the Courtroom Deputy and are attached as Exhibit A hereto.

7       8.     **Trial Brief.** Each party shall submit a trial brief not to exceed 15 pages absent court  
8 order. A trial brief is most helpful to the Court when it: (1) summarizes the party's theory of the case,  
9 (2) identifies key evidence, and (3) provides summary briefing on any controlling issues of law.
